

Tricklebolt English Biography 2020/2021.

A deeply rooted 70's spirit and the urge to give Rock 'n Roll's it's raucous danger again. Tricklebolt delivers a rumbling, grinding musical and sonic gut feeling that evokes the rowdy vibe of early Deep Purple, Wolfmother and Motörhead.

Conceive authentic raw guitar sounds, floating Hammond layers and psychedelics, along with the hooks – and looks of a Black Crowes.

Float away on an Easy Rider road trip while Tricklebolt spits out a solid amount of decibels and whacks it all straight into your gut.

Their resume includes (i.a.) supports for Golden Earring, DeWolff, Uriah Heep, Extreme and Navarone. After two full lengths, Tricklebolt put the troubled summer of 2020 to good use and recorded the Worlds first Drive-In Live album. Their new power move will see the light of day in 2021.
